

# Welcome to the IMPACT Journey

What It Means to Become an IMPACTER

## Welcome — We're Glad You're Here

If you've chosen to explore the IMPACT Hub, it means you're open to growing in your faith. Whether you're brand new to following Jesus or you've been walking with Him for some time, this space was created with you in mind.

You don't need to have everything figured out. You don't need to be perfect. You just need to be willing.

At Go Reach, we believe spiritual growth happens best through relationship, truth, and steady obedience — not pressure or performance.

## What Is an IMPACTER?

An IMPACTER is someone who chooses to live out their faith intentionally. Not someone who knows everything. Not someone who has it all together. But someone who is open to learning, growing, and walking with God one step at a time.

Becoming an IMPACTER means allowing God to shape your life in practical, everyday ways — not just what you believe, but how you live.

This is a journey, not a checklist. Your walk with God is not about rushing or comparing yourself to others. God meets you exactly where you are — and walks with you forward.

# The IMPACT Framework

A simple discipleship pathway for everyday life

## I.M.P.A.C.T.

- **I — Influence:** Your life matters, and your faith influences others more than you realize.
- **M — Minister:** Ministry happens in everyday moments — serving, encouraging, and loving people where you are.
- **P — Proclaim:** Sharing your faith doesn't require a platform — just honesty about what God is doing in you.
- **A — Ask:** Growth begins with prayer, questions, and a willingness to seek God's guidance.
- **C — Connect:** We grow better together. Community strengthens faith and keeps us grounded.
- **T — Testify:** Your story matters. God uses real lives — not perfect ones — to bring hope to others.

## What You Can Expect in the IMPACT Hub

As an IMPACTER, you'll find Bible-based teaching you can apply to real life, guided discipleship resources, and a supportive community focused on growth, not judgment. Everything here is designed to equip you — not overwhelm you.

## Your Next Step

There's no pressure to do everything at once.

Stay connected. Stay open. Keep walking.
